

Sub-Contractor Invitation For Bid (IFB) for Prime City of Los Angeles Economic and Workforce Development Department (EWDD) & Managed Career Solutions (MCS) operated Hollywood WorkSource Center, EDD funded:

“2017 California Wildfires National Dislocated Worker Grant (NDWG)”

IFB Issued: 10/2/2018

IFB Overview and Scope of Work:

This Invitation to Bid (IFB) has been articulated to procure one or more sub-contractors to manage a five month¹ or more wildfire clean-up effort on City/EDD approved 2017 “Creek” wildfire affected sites in Lake View Terrace and Sylmar and potentially to be identified Rye fire sites. Clean-up crews must be comprised of local fire affected residents or long-term unemployed workers² and most clean-up will consist of brush clearance and landscaping. An upcoming site visit will further define the formal scope of work. All interested sub-contractors are encouraged to attend the site visits. Please contact Alexis Altounian (aaltounian@mcslosangeles.com) for more information.

The awarded agency or agencies will be required to provide:

1. Full-time work supervision for work crews consisting of at least eight impacted residents or dislocated workers. Subcontractors may design crew size and work schedule as desired. All participants must be paid \$13.50 per hour and must work on City approved sites including, but not limited to, those sites listed in Appendix 3;
2. Leadership/supervision of each work crew (i.e. Crew Supervisors);
3. Required equipment/tools/resources for workers (see Appendix 1 for list);
4. Daily, round-trip site transportation for all workers and supervisors;
5. Update shared Google Drive weekly electronic work-site attendance sheet or provide other documentation for daily attendance;
6. Review, approval and processing of payroll for bi-weekly timesheets;
7. Electronic transmission of bi-weekly timesheets and payroll records to MCS;
8. Participate in monthly site visits and partnership meetings, share status updates on workers as needed.
9. Provide monthly billing with supportive documentation to MCS Accounting Department

The awarded agency or agencies shall work closely with Prime Contractor, Managed Career Solutions (MCS), in order to keep the program operating smoothly. MCS will recruit, vett and

¹ Minimum of five months expected. The City/EWDD may request additional Wildfire funding from the State. If approved, the duration of this project and sub-contract terms would be extended.

²The City/EWDD definition of dislocated worker used in this grant is unemployment for 15 of 27 non-consecutive weeks. Please see Appendix 3 for Zip Code list

enroll eligible dislocated worker participants. Once enrolled in WIOA participants will be assessed and provided with supportive services based on need (i.e. reflective vests, hard-hats work clothing, work boots)

Program Funding Source:

Employment Development Department (EDD) 2017 California Wildfires National Dislocated Worker Grant awarded to City of Los Angeles EWDD.

Available Funding:

Up to \$150,000 is currently available to all subcontractors for the projected duration of the project. Subcontractors may bid for all or a portion of the available funding. Once the IFB has closed, MCS may request subcontractors to modify or revise budgets as needed.

Sub-contractors must ensure that at least 70% of the budget is dedicated to participant related costs (wages and fringe benefits, including workers compensation). MCS expects the City of Los Angeles EWDD will make available additional funds based on project performance.

Anticipated Terms of Contract:

The anticipated term of contract is August 2018 to December 2018. Based on performance and funding allocations, additional Terms may be granted.
