

# Cybernaut Multimedia Assistant - Los Angeles Public Library

## JOB DESCRIPTION

Cybernauts provide basic computer assistance to Los Angeles Public Library patrons of all ages. Cybernauts' technological skills allow them to aid patrons in using computers, wireless devices, software applications, databases, and E-media resources. As an entry level employment opportunity, Cybernauts gain meaningful work experience and training while helping to improve the digital literacy of their communities. They may also be given an opportunity to teach or assist with digital literacy classes to interested patrons. Each Cybernaut will be assigned to a Los Angeles Public Library branch for 15 hours a week, five days a week, during afternoon hours (except for Central Library).

**For a list of current branch openings, please scan the QR code or visit our job site at: [www.mcscalifornia.com/cybernaut-job-posting](http://www.mcscalifornia.com/cybernaut-job-posting)**
